single–origin coffees in the clover press:

finca el puente, marcala, honduras 2.75

counter culture coffee, direct trade, organic

the herrera-caballero family’s renowned coffee—which is nicknamed the “purple princess” for its purple fruit-forward cup characteristics—offers sweetly complex flavors of plum, lavender, raspberry, and chocolate above a perfectly balanced body.

michicha natural sundried, sidamo, ethiopa 2.95

counter culture coffee, organic

the coffee mill and washing station in michicha—a tiny village in the hilly guji zone of sidama, ethiopia – prepare heirloom coffee varieties with exacting, meticulous standards of quality and tradition resulting in the best ethiopian natural coffee. clean and strikingly sweet, michicha natural sundried offers big, summertime flavors of strawberry, blackberry, honeysuckle, and wine.

gaja aceh, sumatra, indonesia 3.25

stumptown coffee, direct trade, organic

superb quality coffee comes from two heirloom varietals: typica and bourbon. harvested from three sub–lots around lake tawar and tastes of plum, blackberry, toffee and earth, finishing sweetly with buttery caramel.
